Phone 410- 745-5954

The Chesapeake Bay Chapter of the Antique & Classic Boat Society is proud to announce the 30th Annual Antique & Classic Boat Festival/The Arts at Navy Point, Father's Day weekend, 2017. Our show has been around for many years and is the largest Antique & Classic Boat Show in the Mid-Atlantic region. It attracts boats and spectators from many different states and Canada. It's held at the Chesapeake Bay Maritime Museum on the harbor of St. Michaels, Maryland.

There are many reasons that people come to our show. Among those reasons is our vendors, all of whom help make our show one that enjoys a national reputation among boat shows. Centered around Antique & Classic Boats, our show features vendors representing many things from the expertise required in the restoration of fine old boats to the high fine arts. They've come together within an environment of style and pageantry that occurs when you group these boats in one place. Each year we receive a lot of comments about how beautiful and enjoyable our show is.

We take tremendous pride in our community of vendors each representing quality and professionalism in their respective product, service or art. Of the over 60 vendors that attend our show, there is a mixture of the arts, artisans that work primarily with boats and those that sell products, services and/or have other marine related businesses.

For new vendors:

We are very proud of our veteran vendors, but we are also looking for new and interesting things. **This is a juried show.** New vendors are accepted, based upon the judgment of our Vendor Advisory Panel, which is a group of people, each of whom has had significant experience with our show. We require descriptions and color photos (or a website) of the types of items or services you plan to offer at our show. Because this is foremost a Boat Show, the first criterion is: ***What you make, sell, or do, must have something to do with Boats, the Water, Water Wildlife, or Life Around the Water.*** We base new vendor acceptance on appropriateness, quality, professionalism and other factors. Additionally, when we receive an extraordinary number of applicants of a given class, it is sometimes necessary to place an otherwise acceptable applicant on a wait list in an effort to maintain a healthy balance. If so, we will let you know.

Vendor Fee: \$75.00 per space

Application Deadline: April 30, 2017

Business Name: _____

Contact name: _____
